

# BIGI VIGNETO TORRICELLA ORVIETTO CLASSICO DOC 2019

## WINE INTRODUCTION

Vigneto Torricella is one of the top Orvietto wines, created in 1980 from the vineyard of the same name overlooking Lake Corbara, an excellent growing area thanks to the combination of microclimate and soil type. This particularly dense and weighty Orvietto proves to be one of the best whites in central Italy every year.

## WINEMAKING NOTE

The grapes are harvested according to the ripening curve for the different varieties, destemmed and fermented off the skins with soft crushing. The free-run juice, clarified by settling, ferments at 15–16°C for 3 weeks with cultured yeasts. The wine is aged in heat-controlled stainless steel vats until March when it is bottled.

## APPEARANCE, AROMA AND TASTING NOTE

Bright straw-yellow colour. Distinctive aromas of broom flowers and lemon verbena with subtler hints of musk and tropical fruit. The palate is well-balanced, tangy, creamy and smooth with fruity sensations softening into sweet peach notes.

## WINE INFORMATION

Country:	Italy
Region:	Umbria
Wine Type:	White Wine
Producer:	Bigi
Wine Name:	Vigneto Torricella Orvietto Classico DOC
