

BODEGAS SONSIERRA SELECCIÓN TEMPRANILLO DOCA RIOJA 2019

WINE INTRODUCTION

Sonsierra's position, south of the Cantabrian Mountains and north of the River Ebro, creates an Atlantic microclimate with a Mediterranean influence that is highly advantageous for vine-growing.

These qualities make the terroir of Sonsierra one of the most suitable in all Rioja for the cultivation of high-quality vines.

Having so many hectares of vineyards, with vines of different ages and planted at different altitudes, provides us with a wide range of qualities to choose from when producing wines with different flavour profiles.

WINEMAKER VINTAGE DESCRIPTION

Rated Excellent, we like to call 2019 "The Vintage" - great grapes, good polyphenols, soft tannins on reds, very aromatic wines.

WINEMAKING NOTE

Fermentation at a controlled temperature of 25°C to preserve and extract the fruity aromas to the maximum, plus maceration with the skins of around only 7 days.

APPEARANCE, AROMA AND TASTING NOTE

A sweet, aromatic wine, bright cherry-red in colour with a violet edge. The bouquet is notable for its intense aromas of forest fruits such as blackberry and redcurrant, which combine perfectly with the hints of liquorice and dairy.
