

BODEGAS SONSIERRA SELECCIÓN VIURA DOCA RIOJA 2019

WINE INTRODUCTION

Sonsierra's position, south of the Cantabrian Mountains and north of the River Ebro, creates an Atlantic microclimate with a Mediterranean influence that is highly advantageous for vine-growing.

These qualities make the terroir of Sonsierra one of the most suitable in all Rioja for the cultivation of high-quality vines.

Having so many hectares of vineyards, with vines of different ages and planted at different altitudes, provides us with a wide range of qualities to choose from when producing wines with different flavour profiles.

WINEMAKER VINTAGE DESCRIPTION

Rated Excellent, we like to call 2019 "The Vintage" - great grapes, good polyphenols, soft tannins on reds, very aromatic wines.

WINEMAKING NOTE

Pellicular maceration of the must with the skins for 24 hours, to ensure the maximum extraction of aromas. Cold debourbage for 24 hours. Fermentation in stainless steel tanks for 15 days at a controlled temperature of 17°C.

APPEARANCE, AROMA AND TASTING NOTE

Brilliant pale yellow color. On the nose, fresh aromas of green apple and pear combine with light floral hints. The palate is fresh, light, and easy to drink.

WINE INFORMATION

Country:	Spain
Region:	La Rioja
