

EVANS & TATE EXPRESSIONS BUTTERBALL CHARDONNAY 2019

WINE INTRODUCTION

Evans & Tate Margaret River Expressions range celebrates the spirit of Margaret River with a series of serious wines without the serious attitude.

WINEMAKER VINTAGE DESCRIPTION

The 2019 vintage in the Margaret River region can be summarized as late, (mainly due to the cool Spring & Summer), low yielding, and with some disease pressure – Blocks required careful management and those that received early and careful leaf and shoot removal thrived. Longer “hang” (ripening) time was required for our southern Sauvignon Blanc and Semillon sites compared to our more northern located vineyards.

WINEMAKING NOTE

The vineyards that grow Chardonnay for our Butterball wine are located on sites in Margaret River that produce rich, ripe fruit flavours and low natural acid levels – all at a lower Baume (and subsequent alcohol level) than other locations. These attributes are critical to achieve the much loved Butterball style.

APPEARANCE, AROMA AND TASTING NOTE

Mid-straw yellow with a touch of green-gold. The aromas and palate display distinctly Chardonnay characters of peach, tinned pears and ripe melon framed with toasty oak, roasted spices and creamy, buttery notes that flood the nose and mouth. A delicious rich and complex Chardonnay.
