

FONTANA CANDIDA KRON MERLOT LAZIO IGT 2017

WINE INTRODUCTION

This elegant, layered monovarietal Merlot, with its pronounced aroma of small red berry fruit, has a full-bodied, warm, enfolding mouth and a long finish.

WINEMAKING NOTE

The grapes are hand-picked when fully ripe and fermented on the skins for about two weeks. After racking and the malolactic fermentation, the young wine ages in small oak barrels for a few months. A period of bottle ageing precedes the release.

APPEARANCE, AROMA AND TASTING NOTE

Pronounced bright ruby red colour; the broad, complex nose is reminiscent of ripe forest fruit, with spicy hints blending into notes of tobacco; full-flavoured, with silky tannins, enveloping with a very persistent finish.

WINE INFORMATION

Country:	Italy
Region:	Lazio
Wine Type:	Red Wine
Producer:	Fontana Candida
Wine Name:	Kron Merlot Lazio IGT
Vintage:	2017
Principle Grape (%):	Merlot (100)
