

ORMA TOSCANA IGT 2018

WINE INTRODUCTION

This is an elegant, sumptuous wine eloquently expressing the finest qualities and full potential of its terroir, the perfect imprint of Antonio Moretti Cuseri upon a world-class production area. A wine of exuberant character, yet exhibiting undeniable finesse, Orma is a classic example of the high-quality wine produced in Bolgheri. This blend of 50% Merlot, 30% Cabernet Sauvignon, and 20% Cabernet Franc is grown in clay and pebble-rich soils of Bolgheri.

WINEMAKING NOTE

A temperature-controlled fermentation and maceration with manual punching down of the cap for 18 days. Aged for 18 months in small barrels, and aged in bottle for a further year before release.

APPEARANCE, AROMA AND TASTING NOTE

The nose is rich with aromas of intense berry fruit and spice with hints of tobacco. The palate is soft and velvety, with spice and full-ripe sweet fruit. Very long finish.
