

LE MORETTE LUGANA DOC MANDOLARA 2020

WINE INTRODUCTION

Our Flagship wine, made with hand picked grapes coming from a narrow strip of land on the shore of Garda Lake. Soft crushing, controlled fermentation temperatures and a “sur lie” ageing process are crucial to get the complexity and the intensity of flavours and minerality. Fruit dictates the palate with green apple, white peach and citrus notes with a bitterness of almond at the back of the nose, as a testament to the importance of the vineyard’s clay soil, which is typical of the Lugana territory

WINEMAKER VINTAGE DESCRIPTION

2020 was an amazing vintage: the climate was warm during the growing season, hot but not excessively so during veraison. We were lucky also with the storm which passed through Brescia and Verona city in August: our vineyards and winery were not affected. The 2020 vintage is rich in frutiness and sapidity, with a long finish of almond.

APPEARANCE, AROMA AND TASTING NOTE

Pale straw in colour with green reflections. The aromas are lead by white flowers, green apple and citrus, and fruit dictates the palate with peach notes and an intense sapidity. A trace of bitter almond at the back of the nose is typical of the Turbiana grape.

WINE INFORMATION

Country:	Italy
Region:	Veneto
Sub-region:	Lugana DOC
Wine Type:	White Wine
Producer:	Le Morette
Wine Name:	Lugana DOC Mandolara
Vintage:	2020
