

SAN MARTINO SAUVIGNON BLANC VENETO IGT NV

WINE INTRODUCTION

These genuine wines tell the story of a family and its love for working the land and growing grapes. The Cescon family has been running the winery for three generations. Since the 60's they have passed on their passion for wine, caring for the vineyards and the indigenous grape varieties that truly represent the territory, from the river Piave to the hills famous for Prosecco. Over the course of the past three generations the Cescons have always believed in nature, honest human labour and a search for quality deeply rooted in tradition. However, they have also invested in the newest technology to become renowned makers of quality wines.

APPEARANCE, AROMA AND TASTING NOTE

Pale straw yellow in colour, with green hues, this Sauvignon has expressive and elegant aromas and flavours, with mellow notes of tomato leaves and exotic fruits. Vibrant with refreshing acidity, it makes an excellent partner to raw fish starters.
