

SASS TER SAUVIGNON BLANC FRIULI GRAVE DOC 2020

WINE INTRODUCTION

The production area includes a wide surface on the plain of the Friuli Region. In this land, which is well-known for its profound winemaking expertise, the nature of the soil and the particularly mild climate have contributed to create the best possible conditions for vine growth.

WINEMAKING NOTE

The wine has been made in the traditional method for a white wine. First the grapes are gently pressed and destemmed, before alcoholic fermentation at a low temperature. Following stabilisation, the wine is bottled using modern technologies.

APPEARANCE, AROMA AND TASTING NOTE

Bright straw colour, with subtle green hints. Aromas are delicate, harmonic and fruit-forward, with hints of nutmeg and acacia. The palate is full-flavoured and well-balanced.
