

DOMAINE DES MAPLIERS PREFERENCES CÔTES DE PROVENCE ROSÉ 2020

WINE INTRODUCTION

Domaine des Mapliers is owned by the Gallo family (no connection to California's ubiquitous wines of the same name). Jean Gallo has been passionate about wine and Champagne for over 40 years, an enthusiasm he naturally transmitted to his son. In 2013 they decided to acquire a vineyard and live out their passion for the land and its wine. Previously managed by the celebrated Domaine Ott, the vineyard is located in the heart of Provence Varoise. Certified Organic, Domaine des Mapliers Rosé is cultivated with total respect of nature. The vines, situated on a south-facing hillside, grow on a calcareous clay soil at an altitude of 300 metres above sea level, which accounts for the wine's unique freshness.

WINEMAKING NOTE

Grapes were crushed and destemmed before resting in stainless steel tanks at 15 degrees for 2 months. The wine is assembled and then lightly filtered before bottling.

APPEARANCE, AROMA AND TASTING NOTE

From a blend of Grenache and Cinsault, Préférences delivers a simple yet precise bouquet of fresh raspberries and vine peach. Superbly refreshing and delicate, the palate is charming and ethereal. Fermented in stainless steel from a direct and light pressing, Préférences is a classic Provencal style that everybody will enjoy... day and night.

WINE INFORMATION

Country:	France
Region:	Provence
