

NAVASCUÉS ENOLOGÍA CUTIO MACABEO DO CARIÑENA 2018

WINE INTRODUCTION

We are proud to offer our very first vintage of Cutio Macabeo, in which we are following the same philosophy as in Cutio Garnacha. Purity and expression of the grape variety, together with an outstanding balance, focused to be enjoyed by a wide range of consumers.

WINEMAKING NOTES

Made from grapes grown on 25 year old vines, which have been hand-harvested. The grapes were cold macerated on their skins for 12 hours, after which the wine remained in concrete vats in contact with the lees for 10 months.

APPEARANCE, AROMA AND TASTING NOTE

A lively and bright colour for a 2018 vintage. Expressive nose, pure and complex. Magnificent mouth, mouth-coating, delicious, showing a long after-taste.
