

NINO NEGRI CA' BRIONE

BIANCO ALPI RETICHE IGT 2019

WINE INTRODUCTION

Ca' Brione is an alpine white wine born in 1986. The soil's geological origins go back to the time when the African and European plates collided, forming the Alps. The great variety of rock this caused lends both minerality and elegance to the wine.

WINEMAKING NOTE

The grapes were fermented off the skins with very soft pressing at a natural cellar temperature of 18°C-20°C in French oak barriques. The wine was then left in barriques until the following spring, with weekly bâtonnage.

APPEARANCE, AROMA AND TASTING NOTE

Ca' Brione has a lemon yellow hue, accompanied by a full, intense nose with notes of elderflower and peaches that blend nicely with the toasty and yeasty hints derived from its time ageing in barrique. The elegant and fresh palate is well balanced, with an attractive, creamy, fruit-washed finish. It is highly cellarable and will improve with time.

WINE INFORMATION

Country:	Italy
Region:	Lombardy
Sub Region:	Valtellina
Wine Type:	White Wine
Producer:	Nino Negri
Wine Name:	Ca' Brione Bianco Alpi Retiche IGT
