

CASANOVA DI NERI ROSSO DI MONTALCINO DOC 2020

WINE INTRODUCTION

The Casanova di Neri Rosso di Montalcino demonstrates how a Sangiovese in our vineyards in Montalcino can produce substantial wines ready for immediate enjoyment. For us, the Rosso di Montalcino is paramount. For its production we use grapes from dedicated vineyards and ensure that they receive the same attention and care intended for the production of Brunello. The strong identity of this wine is also due to our selection of Sangiovese. It is a wine that spends 12-15 months in wood.

WINEMAKER VINTAGE DESCRIPTION

Winter 2020 has been characterised by mild temperatures and less than average precipitations. The return of cold temperatures at the end of March has slowed down the vegetative cycle, so the budding has taken place at the same time of the previous vintages. Spring has followed normally, with a mild climate, and flowering and fruit set taking place under optimal conditions. In the month of June there have been good rainfalls. The summer has been hot and sunny, without excessive temperatures. All these conditions have contributed to a slow and consistent ripening of the grapes.

WINEMAKING NOTE

We select the bunches manually before de-stemming and selecting the grapes with an optical selector. After that, spontaneous fermentation without added yeasts follows and maceration is facilitated by frequent pressing. Everything takes place in conical steel vats at controlled temperature for 18 days. Ageing takes place over 12 months in oak barrels.

APPEARANCE, AROMA AND TASTING NOTE

A vintage with great balance. To the sight it shows a lively and bright red color. The nose explodes with small fruits, like red and black cherry. The palate is rich and elegant, with a thick tannic texture, and a long, persistent taste. It's already very enjoyable but will reach its apex in a few years.
