

NAO NIS PINOT GRIGIO DELLE VENEZIE DOC 2021

WINE INTRODUCTION

The production area includes a wide surface on the plain of the Friuli Venezia Giulia Region. In this land, well-known for its profound winemaking expertise, the nature of the soil and the particularly mild climate have contributed to create the best conditions for the vine growth. Evolved from Pinot Nero, Pinot Grigio has a coppery color, and for the most part, is vinified as a white wine. It is very popular in the Friuli region, yielding elegant and fruity wines.

WINEMAKING NOTES

The vinification is the traditional 'white wine method': the grapes are gently pressed using advanced winemaking techniques and equipments. The fermentation takes place at low temperature. After the stabilization procedure, the wine is bottled using modern technologies.

APPEARANCE, AROMA AND TASTING NOTE

Bright straw yellow in colour, it is fragrant with wild flowers and acacia, both on the nose and the palate. The palate is dry, intense and persistent. Excellent as an appetizer, it is the ideal accompaniment with fish dishes and shellfish. Perfect with white meats and soufflés.
